

## About clinical groupings

Practice level QOF information has been separated into separate spreadsheets for each SHA in order to reduce the size of files for downloading.

A set of five Excel workbooks is available, each containing a separate sheet for individual SHAs.

The information is structured as follows

North East England includes these SHAs:

- Co Durham and Tees valley
- Northumberland and Tyne & Wear
- N&E Yorkshire and Northern Lincolnshire
- West Yorkshire
- South Yorkshire

North West England and the West Midlands includes these SHAs:

- Birmingham and Black Country
- Cheshire and Merseyside
- Cumbria and Lancashire
- Greater Manchester
- Shropshire & Staffordshire
- West Midlands South

Eastern England includes these SHAs:

- Bedfordshire and Hertfordshire
- Essex
- Leicestershire, Northamptonshire & Rutland
- Norfolk, Suffolk and Cambridgeshire
- Trent

Southern England includes these SHAs:

- Avon, Gloucestershire and Wiltshire
- Dorset and Somerset
- Hampshire and Isle of Wight
- Kent and Medway
- South West Peninsula
- Surrey and Sussex
- Thames Valley

London includes these SHAs:

- North Central London

- North East London
- North West London
- South East London
- South West London
